Re: Acceptance Status for provision of:

**Laboratory Services (as per your ISO-17025 Scope of Work) meeting the Basic Requirements of NQA-1 1994 + 1995 Addenda and 2004 Editions
PES services shall be as defined in your Quality Assurance Manual QAM-001 Rev 3.**

Dear Mr Kowatch:

Based on Rolls-Royce's audit (dated 2011.09.19), Rolls-Royce is pleased to add your company to our SL (Supplier List) for the provision services as listed above. This approval is contingent upon continued satisfactory performance, to be verified by quality surveillance as deemed necessary.

This acceptance, on to our SL, will expire 2012.09.19, at which time an annual assessment will be required.

We look forward to continued association with your company.

Audit, review and /or acceptance of your Quality Program is not intended to imply that Rolls-Royce in any way guarantees, endorses or warrants the quality of your product /services for any purposes or to any customer. It is your responsibility to ensure that this quality program is maintained and implemented.

Regards,
Rolls-Royce Civil Nuclear Canada Ltd
